

MOLECULAR FRONTIERS SYMPOSIUM 2008

January 10-11, 2008, Biopolis, Singapore

GENERATING SYNERGIES WITH MOLECULAR SCIENCE

Molecular Frontiers Symposium 2008 Exhibition Opportunities

Organized by the Institute of Bioengineering and Nanotechnology in collaboration with the Molecular Frontiers Foundation, which was founded by the Royal Swedish Academy of Sciences, the 2nd Molecular Frontiers Symposium features plenary lectures by 4 Nobel and Royal Swedish Academy of Sciences Laureates, as well as keynote lectures by other illustrious scientists from leading institutions around the world. The Symposium is also followed by an educational Molecular Frontiers Forum. Reaching out to more than 16,000 leading practitioners and key decision makers from the scientific research community through various marketing channels, the 2nd Molecular Frontiers Symposium offers industry professional a plethora of opportunities to raise their corporate profile.

Don't miss this opportunity. Take advantage of our sponsorship opportunities to be noticed by your target audience and our symposium attendees.

Exhibition Booth Rental SGD 3,500

Each exhibition booth unit consists of:

- 1 draped 6-feet x 3-feet draped table
- 1 power point access
- 1 printed name display
- 2 chairs
- 2 exhibitor badges
