

MOLECULAR FRONTIERS SYMPOSIUM 2008

January 10-11, 2008, Biopolis, Singapore

GENERATING SYNERGIES WITH MOLECULAR SCIENCE

The Molecular Frontiers Symposium 2008 Premier Sponsorship Opportunities

Organized by the Institute of Bioengineering and Nanotechnology in collaboration with the Molecular Frontiers Foundation, which was founded by the Royal Swedish Academy of Sciences, the 2nd Molecular Frontiers Symposium features plenary lectures by 4 Nobel and Royal Swedish Academy of Sciences Laureates, as well as keynote lectures by other illustrious scientists from leading institutions around the world. The Symposium is also followed by an educational Molecular Frontiers Forum. Reaching out to more than 16,000 leading practitioners and key decision makers from the scientific research community through various marketing channels, the 2nd Molecular Frontiers Symposium offers industry professional a plethora of opportunities to raise their corporate profile.

Don't miss this opportunity. Take advantage of our sponsorship opportunities to be noticed by your target audience and our symposium attendees.

Platinum Sponsorship

SGD 80,000

Benefits

- Two invitations to exclusive VIP Dinner with Nobel and Royal Swedish Academy of Science Laureates.
- Sponsorship acknowledgement in symposium announcements, which reach out to more than 16,000 targeted industry professionals.
- One prominently placed tabletop display at the symposium exhibition.*
- Visible logo placement on the symposium backdrop and signage.*
- One full-page color advertisement in the symposium program book.*
- Prominent name and logo listing in the Sponsors Page in the symposium program book and on the event website.
- One VIP table at the Molecular Frontiers Symposium Banquet.
- Ten free symposium registrations.
